

Vision, Mission & Core Values

Vision, Mission & Core Values

Vision:

A world class committee on ethics and research review

Mission:

To regulate research and ensure adherence to ethical principles in order to help safeguard the dignity, rights, safety and well-being of all actual or potential research participants by vetting proposals and overseeing conduct of research

Objectives

1. To deliver services in a timely manner
2. To enhance relationship with customers
3. To monitor and manage adverse events reports
4. To improve the quality of the review process
5. To monitor implementation of the approved research
6. To collaborate and network with other stakeholders
7. To develop an integrated information system for the ERC
8. To develop physical infrastructure
9. To build human resource capacity
10. To enhance visibility and institutional image
11. To establish resource mobilization mechanisms
12. To prudently manage finances
13. To promote community education, awareness and participation
14. To provide leadership
